International Division**RENEWED PETITION UNDER 37 CFR § 1.181**

Sir:

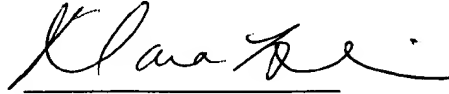

Applicants now respond to the Decision on Petition under 37 CFR 1.181 mailed 27 January 2005 in the above noted application. Applicants respectfully request reconsideration of their petition to the Commissioner under the provisions of 37 CFR §1.181 for withdrawal of the holding of abandonment indicated in the Notice of Abandonment, mailed 28 May 2002.

The Decision on Petition indicated that Applicants docket records submitted with the §1.181 petition was insufficient to establish that the Notification of Missing Requirements under 35 USC §371 was not received and was not misdocketed to another application. Applicants have been requested to provide docket records for the 3 May 2001 date for all applications for which a response was due on said date. Applicants enclose such U.S. docketing reports (5 pages) and the undersigned hereby attests that a search of these docket records indicate that the notification of Missing Requirements of 3 April 2001 for USSN 09/786,492 was never received.

As this petition is being made under the provisions of 37 CFR § 1.181 no petition fee is believed due. However, if this is not the case, the Commissioner is hereby authorized to debit Deposit Account 19-2570, accordingly.

Should the Examiner have any questions or wish to discuss any aspect of this case, the Examiner is encouraged to call the undersigned at the number below.

Respectfully submitted,
